WALLA WALLA, WHERE FAMILIES HAVE FUN!

*A flexible, family-friendly itinerary for a fun day in the Walla Walla Valley.
Most stops do not require reservations and are open daily.*

8:00 AM Kick off the day with breakfast at [Clarette's](#). A Walla Walla staple with that classic diner vibe it is located downtown, near the beautiful Whitman College campus. Early risers will be delighted knowing this spot is open at 6 AM daily.

9:00 AM Get the wiggles out, with a visit to the crown jewel park of Walla Walla, [Pioneer Park](#), which was designed by famous NYC Central Park architect Frederick Olmstead, to receive President Taft for a 5-hour visit to the city. Enjoy broad shady canopies from world record-holding oaks while you peruse the vibrant community-run aviary. The park also features an expansive playground, pickleball courts and ping pong!

11:00 AM Now that everyone has had time to explore and play in Pioneer Park, it is time to head west on Old Highway 12 to [Woodward Canyon Winery](#). Established in 1981 as the second Walla Walla winery - you can enjoy their wines daily with no reservations required. There is plenty of space to play lawn games in their beautiful garden tasting room.

12:00 PM Older kids may enjoy the history of the [Whitman Mission](#), an early outpost for Oregon Trail settlers in the Walla Walla Valley, and the site of the infamous Whitman Massacre.

Younger kids might be better suited to enjoy a visit to [Frog Hollow Farms](#) (closed Saturdays). Offering more local seasonal produce and much more, this stop has animals you can feed and a gated play area. If you're here before frost rolls in, enjoy over 70 different varieties of tomatoes!

1:00 PM You can make your own picnic from the selection at Frog Hollow or enjoy the winner of Walla Walla's 'tastiest taco'. [Happy Wanderer](#) is a Mexican restaurant located in College Place, WA, this stop is very close to the Southside Wine District and offers fresh, handmade tortillas and salsas. Vegans & vegetarians will rejoice at the offerings as well.

2:00 PM In the heart of the Southside Wine District is [Canvasback](#). Make reservations to enjoy the comparative tasting experience highlighting the differences between regional growing sites -- Red Mountain, Walla Walla and the Rocks District of Milton-Freewater. Keep the kids busy with cornhole or classic board games. The whole family can watch the hawks coasting along the nearby Walla Walla River. [Reservations are recommended.](#)

3:00 PM Head downtown to enjoy [Echolands Winery](#). Our tasting room is the perfect place to kick back after a day of family fun. Dedicated to using only Walla Walla Valley fruit and offering several single-varietal, single-vineyard wines, like the 2022 Riviere-Galets Grenache, join us for an afternoon tasting.

4:00 PM Within walking distance of Echolands tasting room, you can enjoy bowling and the arcade at [Stardust Lanes](#).

5:30 PM Kids of all ages will enjoy a chance to ride the mechanical bull at [T-Post Tavern](#) (closed Monday & Tuesday). This brand new, but old school country bar is family friendly 4 - 10 PM, featuring live music and dancing after 9 PM Thursday - Saturday. Enjoy their smoked meats and kids menu.

Keep the thrills going after dark at the [Walla Walla Corn Maze](#) - offering "scary hours" after dark all through October. Hours vary by day.
