PANEL MODERATOR

JUAN MUÑOZ-OCA

Chief Operation Officer Vinattieri 1385

Juan Muñoz-Oca is Chief Operation Officer of Vinattieri 1385, the company owned by Marchesi Antinori to import its wines directly to the United States and sell its domestic wine portfolio. As COO, Muñoz-Oca oversees all properties in the United States, spending most of his time leading the operations from grapes to table for some of the most historical and influential properties in Napa Valley: the iconic Stag's Leap Wine Cellars in the heart of the Stags Leap District and Antinori Napa Valley atop Atlas Peak AVA.

Describing himself as “stupidly obsessed with wine,” Muñoz-Oca has a true passion not only for making great wine and influencing the way people experience it, but he’s also passionate about protecting the planet so future generations can make wine in the same pristine conditions we’re lucky to grow grapes today. He believes that wineries have the ability to influence geography, communities, and social environments.

WALLA WALLA VALLEY WINEMAKER

CHRIS FIGGINS

FIGGINS Family Wine Estates

Chris Figgins is the CEO and Winemaking Director for Figgins Family Wine Estates (FFWE). Succeeding his parents, Gary, and Nancy Figgins, who founded Leonetti Cellar in 1977, Chris officially joined Leonetti following graduation from Washington State University with a degree in horticulture. Chris assumed the position of head winemaker of Leonetti Cellar in 2001. Chris was instrumental in transforming Leonetti into an estate-grown winery and is known industry-wide for consistently pushing the envelope viticulturally. In addition to operations and winemaking, Chris presides over all viticultural operations for FFWE, which includes eight distinct vineyard sites in the Walla Walla Valley and Willamette Valley. To further extend the FFWE experience, Chris launched FIGGINS, a single-vineyard estate winery focused on Bordeaux varieties, and Toil Oregon, a small-production Willamette Valley brand featuring Pinot Noir and Chardonnay. A frequent public speaker, Chris loves to share his passion for sustainable farming and biological soil health.

WALLA WALLA VALLEY WINEMAKER

BRIAN RUDIN

Echolands Winery

A graduate of Western Washington University and the Institute of Enology & Viticulture in Walla Walla, Brian has more than 17 years of experience in the Washington wine industry. He moved to Walla Walla in 2006 to pursue his growing passion for winemaking. Brian first became a certified sommelier and started his career in winemaking at L'Ecole No 41. Throughout the years, Brian worked as a production manager for Alder Ridge Vineyard and Zefina Winery, and then as a winemaker for Cadaretta and Buried Cane Vineyards. Prior to his role at Echolands, he spent nine years as the winemaker for at Canvasback, with the Duckhorn Portfolio.

An avid mountaineer, hiker and skier, Brian grew up in the farming community of Wenatchee, Washington with a love of the Cascade Mountains. He and his wife Ashley Trout, a fellow winemaker in the Walla Walla Valley, hope to teach their shared love of winegrowing to their two kids one day.

WALLA WALLA VALLEY WINEMAKER

MARY DERBY

DAMA Wines

A native of Northern Minnesota, embarked on a multifaceted journey that encompassed classical music, restaurant hospitality, and ultimately, winemaking. Her diverse experiences in the vibrant culinary and musical scenes of San Francisco and Chicago during the 1990s laid the groundwork for her future endeavors. In 2000, Mary and her husband, Devin Derby, embarked on a transformative journey from Chicago to Walla Walla. Inspired by the region's new wine industry, they established Spring Valley Vineyard Wines, which has since gained widespread recognition.

In 2007, Mary founded DAMA Wines, one of Washington's few certified woman-owned and managed wineries. DAMA's award-winning wines, crafted from grapes sourced from Walla Walla Vineyards and Yakima Valley, showcased Mary's artistry and attention to detail. Mary's approach to winemaking drew parallels to her musical background. Just as singing requires a strong technical foundation, so too does winemaking. She believed that a wine should not only be technically sound but also reflect the winemaker's unique personality.

BORDEAUX COMMERCIAL DIRECTOR

CHARLES THOMAS

Château Cos d'Estournel

Charles Thomas was born and raised in Bordeaux, France. He pursued higher education at ESCP Europe, where he completed a specialized master's in International Projects. Charles began his career in the wine industry with various roles across Asia, including positions at French Wine Paradox Ltd. in Beijing and Red & White International in Singapore. From 2009 to 2013, he was the Director of Sales for Asia-Pacific at Brand Loyalty Ltd. In 2013, he joined Château Cos d'Estournel and Domaines Reybier as the Commercial Director for the Asia-Pacific region, where he continues to excel in promoting and managing their wine portfolio.

Château Cos d'Estournel, located in the Saint-Estèphe appellation of Bordeaux, is renowned for its exceptional wines and unique architecture inspired by the founder's travels to the Orient. The estate produces world-class red wines known for their complexity, elegance, and aging potential. The winery's commitment to quality and innovation has solidified its reputation as one of Bordeaux's premier wine producers.

TUSCANY WINEMAKER

MARCO FERRARESE

Tenuta Guado al Tasso

Marco Ferrarese, was raised on a small farm in Maremma, in the southern part of the Tuscan coastal area. In 1996, he graduated as an agronomist from a technical high school in Grosseto. He then pursued higher education at the University of Florence, where he completed his Bachelor's degree in Viticulture and Oenology between 1996 and 2000.

After his studies, Marco worked at CAIM in Follonica, Grosseto, in a chemical laboratory analyzing wines from 2000 to 2002. He then took on the role of Oenologist at Cantina di Pitigliano, Grosseto, from 2002 to 2004. His career progressed further when he joined Tenuta Guado al Tasso as an Oenologist in 2005. In 2017, Marco was promoted to the position of Estate Director at Tenuta Guado al Tasso, where he continues to apply his extensive expertise in viticulture and oenology.

NAPA VALLEY WINEMAKER

NIKI WILLIAMS

Cakebread Cellars

Winemaker Niki Williams brings more than a decade of experience from some of Napa Valley's most well-known wine estates including: Mount Veeder Winery, The Prisoner Wine Company, Franciscan Estate, Merryvale Family of Wines, and Chateau St. Jean. During these tenures, Williams gained extensive winemaking experience with a wide range of red and white varieties and explored the latest cellar and vineyard technologies to elevate fruit and wine to their highest quality. Her philosophy and practice of crafting balanced, elegant blends that are approachable when young, yet capable of aging gracefully make her a perfect complement to and continuation of Cakebread Cellar's 50-year standard and history of winemaking.

When not working, Williams enjoys time at home in Napa with her husband Nate and their two Boston Terriers, Dottie and Dash. She is an avid gardener, reader, traveler, and baseball fan, and she volunteers as a Court Appointed Special Advocate for children in foster care.
